

# DK: Nu bede vi den Helligånd / UK: O Holy Spirit / D: Nun bitten wir

Førreformatork leise / Johann Walther 1524

O Ho - ly Spir - it, let us pray that You will bind us close in  
faith this day: till the world has end - ed guard the church You gave us  
from all need and dan - ger, in Your mer - cy save us. Spir - it, hear our prayer!

2. O Holy Spirit, blessed light,  
illuminate us so we see aright  
Jesus, God's beloved,  
lead us to adore Him,  
in his Father's kingdom  
there to stand before Him.  
Spirit, hear our prayer!

3. O Loving Spirit from above,  
infuse the church with Your eternal love,  
so we gladly wander,  
sister close to brother,  
as God loves his children,  
loving one another!  
Spirit, hear our prayer!

4. O Paraclete, receive our prayer,  
as children resting non their mother's care,  
in Your calming solace,  
so our every sadness  
turns in faith to hope of  
everlasting gladness!  
Spirit, hear our prayer!

5. O Spirit, may we be assured  
that we are children of our heav'nly Lord!  
then our grief is banished,  
then the pearl discovered,  
death itself defeated.  
Paradise recovered,  
Spirit, hear our prayer!
